

POWER UNDER PRESSURE

HYDRA™ X

The Hydra X Roofing and Protective Coatings Sprayers are built to last and make jobsite life easier and more productive.

HydraStroke® Technology

- Unmatched durability and performance powered by electronically driven hydraulics
- Versatility to spray heavy and light bodied coatings without burning out clutches
- Hydraulic motor is optimized with **one** moving part, reducing heat and extending life

Severe Service™ Fluid Section

- 5" long, slow stroking piston maximizes power and extends pump life
- Uses a Tri-chrome process to create the industries most durable fluid section that is resistant to corrosion and abrasion caused by aggressive coatings
- Proven Speeflo® technology with over 45 years in the field
- New quick removal fluid section allows one person to replace on the jobsite

Intelligent Design

- Effortless drum changes with the electric AutoLift™ system that raises and lowers the fluid section with the touch of a button
- One sprayer with modular fluid section allows for two different performances out of each sprayer
- Large 12" pneumatic tires make it easy to move around job site

Extremely Efficient Cooling System

- Primary fan and secondary radiator and fan make this a very cool and trouble-free system
- Large 6 gallon hydraulic reservoir keeps fluid cool

WEARGUARD CONVENIENCE PROGRAM KEEPS YOU UP AND RUNNING

When you purchase a new Titan sprayer, you're able to take advantage of our exclusive WearGuard Convenience Program. Protect your investment by purchasing a spare fluid section or PermaStroke kit at a discounted rate. Save yourself the time and frustration of an extra trip or waiting for parts to arrive in the event that your sprayer goes down. When you have a backup fluid section or PermaStroke kit on hand, replacement can quickly be made without leaving the jobsite and doesn't require special tools. The bottom line is that WearGuard keeps you up and running.

Not interested in purchasing a spare fluid section? We also offer the option of a free packing kit on select sprayers.
